

Aerospace 3D Printing Conference 2019

December 5, RAI Amsterdam

[www.aerospace3dprintingconference.com](http://www.aerospace3dprintingconference.com)

Aerospace 3D Printing Conference takes place on December 5, 2019, at RAI Amsterdam, during Amsterdam Drones Week.

The conference offers aerospace professionals the chance to learn about and to look at challenges / opportunities from different perspectives using 3D Printing/Additive Manufacturing in their professional use.

The following topics will be approached:

- Airplane parts
- Engines
- Interior
- UAV/UAS
- Manufacturing tools
- Challenges

For more information about the conference, opportunities to exhibit or speak or registration, we invite you to visit [www.aerospace3dprintingconference.com](http://www.aerospace3dprintingconference.com)
